

Frame any sign, chart or document in seconds...

Available in magnetic or self-adhesive
Vertical or horizontal formats

Frames 4 Docs are a unique range of colour coded frames designed for easy and prominent document display:

-  **Magnetic or Self-adhesive fixing**
-  **To fit - A3, A4 and A5**
-  **Vertical or Horizontal format**
-  **5 colours**
-  **Self-adhesive frames offer 2-way viewing**

Perfect for use in offices, shops, libraries and throughout industry to display all types of literature, certificates and information. Colour coded using red, blue, yellow, green and black, all 5 of these safety colours comply with British Safety Standards and are therefore ideal for displaying health and safety information including fire and hazard notices.

Frames 4 Docs are ideal for the portrayal of important information and act as perfect reminders for all staff in **5S** and **Lean Manufacturing**.

 Suitable for documents up to 1.5mm in thickness.

 Offers 2 way viewing on glass surfaces

 Available in 3 sizes and 5 frame colours

Suitable for a range of environments...

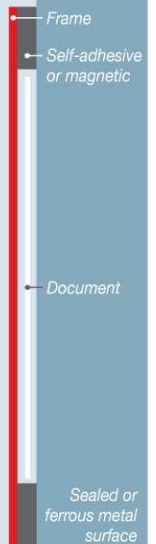

Self-adhesive

The self-adhesive **Frames 4 Docs** have an aggressive adhesive that has been selected to adhere to most sealed surfaces. Self-adhesive frames are permanent and can also be fixed to glass doors, shop windows or partitions enabling documents to be viewed from both sides. This design allows for documents to be easily changed when required.

Magnetic

The magnetic **Frames 4 Docs** have a very strong pull force and can be applied to any flat steel surface. The designs allows for easy insertion and removal of documents without the necessity of moving the frame. However if required, simply lift and relocate your document at will. The magnetic frame also enables a document to be displayed cleanly without the use of nails and pins that could possibly damage the fixing surface.

Ideal for Health and Safety
